FROM THE
ALBUM

Heaven Knows I'm Miserable, Sow

*I was happy to be an successful band,
But Heaven knows I'm miserable, sow
I wanted to be a pop-star, then I was a pop-star
But Heaven knows I'm miserable, sow*

*In my song
I could write lots of long lines
That sounded on and on and on and on and had extra bits on
the middle and often didn't rhyme proper, er-ly*

*I was pleased to get away with stuff like that
But Heaven knows I'm miserable, sow
Cause once the band's split up and left me flat,
And Heaven knows I'm miserable, sow*

*In my song
I'm starting to realize
That the records were good because of the nice jangly guitar bits
that Johnny did and without them all my lyrics start to
sound pretty much the same*

*Oh now oh dear now years
I'm so fed up
Leave me alone, I'm miserable
Don't talk awful etc
I repeat to feed!*

Album produced by John Parker,
Available on His Miserable Voice
records.

Also includes the tracks
"Meat Is Miserable", "Misery in the
Streets of London", "There is a
Deane that Never Shuts Up" and
"Every Day Is Like, Miserable".

HE FOUND THE GAP AND CREEPT THROUGH

YES THE MEN WERE DIGGING PUTTING TWO AND TWO TOGETHER LARRY THOUGHT OF THE BANK ROBBERY

BRAVELY HE CHARGED AT THE MEN

FEARING FOR THEIR BOTTOMS THEY....

AND SO THE PUNDCAME GIES ON AND ON

Hey you! Got no cash? Spent it all on comics, sweets and records? Then why not open a bank account with us?

We know what it's like to be short of money at Burkleys – we've been robbed twice this week – so as a Special Introductory Offer you can open a deposit account with **NO MONEY AT ALL!**

Here's what you get

Super Money-Box Safe

Just put your pocket money in the slot every week, and when it's full, bang it in out! (For safety reasons we don't give you the combination now)

Safe insurance 10 = 20

Cheaps Plastic Folder

Ideal for filing bank statements and other bits of waste paper we give you to make you feel important and growing-up

Fastcash Cashcard

Get money out 24 hours a day
(Dispensing small notes – convenience operations
August 1992)

But how will we give the cashcard officers 2000 to set money machines? Well, who has things you want when you've got your own money?
Our machine is great! It's really an almost totally new! (Presumably for the world's oldest insurance company if you can't see how) (Presumably any way you want to take cash out, but I think of a good reason why people do it) (I'm not giving you interest at 0.05 but we can)

Guide to [How] Acting

People often ask me, "Arnold, how did you become such a versatile, talented and successful actor in the jungle that is Hollywood?" And I say to them "Eat leaden death, you prying Commie scum!" But for you lucky OMNI readers, here are my tips for getting on in the film world.

Two trademarks are "Lovers also laugh" (or ask for "grunts") as two professionals call them, and use them in appropriate situations in your films. "HUNGRAA!!" and "HAAARGHAAH" are my favorites. Using such "marks" avoids you having to learn all that boring dialogue stuff. (A useful reference book is "Glossary: Famous Talk-And-Prop-Blah" by Christopher Doyle.)

Be mean to other people in your films. Give it your all, when a scene is shot in an outdoor-like situation (like, um, like an animal). Then, when you're supposed to be emotional acting, be, you can be, go on the film, go on, and have a holiday till the film starts shooting.

Be a crew member. When you are around looking gritty, rugged and masculine, it all goes better for you. It won't take long with you, so do anything other than tell people that you're not a president.

Get some good ground and skydive. And use your whole body to do what the work of your situation.

Two additional findings emerge in this paper. First, whereas the two groups initially report a similar level of satisfaction, the satisfaction of the control group declines more rapidly than that of the treatment group. Second, the treatment group reports a higher level of satisfaction than the control group at the end of the study.
